

Editas Medicine Names Emma Reeve to Board of Directors

September 8, 2021

CAMBRIDGE, Mass., Sept. 08, 2021 (GLOBE NEWSWIRE) -- Editas Medicine, Inc. (NASDAQ: EDIT), a leading genome editing company, today announced that it has appointed Emma Reeve to its Board of Directors.

Ms. Reeve is an accomplished biopharmaceutical executive with more than 25 years of global financial experience across pharmaceutical, medical device, and bio-pharma companies. Most recently, Ms. Reeve served as Chief Financial Officer of Constellation Pharmaceuticals, Inc., a development-stage oncology company, prior to its acquisition by MorphoSys AG in 2021. Ms. Reeve led Constellation's initial public offering in 2018. Prior to Constellation, Ms. Reeve acted as interim Chief Financial Officer and Corporate Controller of Parexel International, a global biopharmaceutical services company, where she was responsible for all aspects of finance, investor relations, procurement, and facilities. Earlier in her career, Ms. Reeve served as Chief Financial Officer of both Inotek Pharmaceuticals and Aton Pharma. Additionally, she held senior finance and operational roles at Bristol-Myers Squibb, Merck, and Novartis.

"I am very pleased to welcome Emma to our Board of Directors. She is an accomplished biopharmaceutical executive with extensive financial and operational experience plus significant achievements in fundraising activities. Her work has led to several business transactions and collaborations that brought resources to companies to continue development of important medicines," said James C. Mullen, Chairman, President, and CEO, Editas Medicine.

"I am elated to join Editas Medicine's Board of Directors as the company makes strides in the clinic and continues to advance its pipeline and unparalleled technology. I look forward to being part of this exceptional Board and helping Editas in its mission to develop and advance transformative medicines," said Ms. Reeve.

Ms. Reeve holds a B.Sc. in computer science from Imperial College, University of London and is an associate of the Institute of Chartered Accountants in England & Wales.

About Editas Medicine

As a leading genome editing company, Editas Medicine is focused on translating the power and potential of the CRISPR/Cas9 and CRISPR/Cas12a (also known as Cpf1) genome editing systems into a robust pipeline of treatments for people living with serious diseases around the world. Editas Medicine aims to discover, develop, manufacture, and commercialize transformative, durable, precision genomic medicines for a broad class of diseases. Forward-Looking Statements

This press release contains forward-looking statements and information within the meaning of The Private Securities Litigation Reform Act of 1995. The words "anticipate," "believe," "continue," "could," "estimate," "expect," "intend," "may," "plan," "potential," "predict," "project," "target," "should," "would," and similar expressions are intended to identify forward-looking statements, although not all forward-looking statements contain these identifying words. The Company may not actually achieve the plans, intentions, or expectations disclosed in these forward-looking statements, and you should not place undue reliance on these forward-looking statements. Actual results or events could differ materially from the plans, intentions and expectations disclosed in these forward-looking statements as a result of various factors, including: uncertainties inherent in the initiation and completion of preclinical studies and clinical trials and clinical development of the Company's product candidates; availability and timing of results from preclinical studies and clinical trials; whether interim results from a clinical trial will be predictive of the final results of the trial or the results of future trials; expectations for regulatory approvals to conduct trials or to market products and availability of funding sufficient for the Company's foreseeable and unforeseeable operating expenses and capital expenditure requirements. These and other risks are described in greater detail under the caption "Risk Factors" included in the Company's most recent Annual Report on Form 10-K, which is on file with the Securities and Exchange Commission, as updated by the Company's subsequent filings with the Securities and Exchange Commission, and in other filings that the Company may make with the Securities and Exchange Commission in the future. Any forward-looking statements contained in this press release speak only as of the date hereof, and the Company expressly disclaims any obligation to update any forward-looking statements, whether because of new information, future events or otherwise.
